

## End User Declaration

As a matter of high priority, it is the policy of ULVAC Technologies, Inc., to comply with both the letter and spirit of the laws and federal regulations restricting the transfer, export, sale or disposal of any product or technical data from the United States. This includes not doing business with embargoed countries (currently Crimea Region of Ukraine, Cuba, Iran, North Korea, Syria and Venezuela) and not selling with Denied Parties. Parties in Russia may be subject to denial in specific industries, such as oil and gas. In addition, sanctions on specific individuals in Russia remain in full force until further notice. Parties in China and Hong Kong may be subject to license for certain end users or certain end uses. Further, there are restrictions on advanced computing and semiconductor manufacturing items destined for China or Hong Kong. The intended use is not to be for the proliferation of weapons of mass destruction, missile technology including UAV (Unmanned Aerial Vehicles), nuclear weapons, biological and chemical weapons, or any other controlled applications. For the above stated reasons, we kindly ask you to fill out the following information:
